BULLDOG SWIM SCHOOL CURRICULUM

Family Tot Classes (6 months – 2 years)

Parent & tot to teacher ratio is 8:1 - Class time is 30 minutes

This interactive class is designed for little ones to become comfortable in and around the water. Emphasis is placed on learning through fun. By using songs, games and colorful equipment we introduce: floating skills, breath control, gentle submersions, and survival skills.

Preschool Classes (3- 5 years)

Student teacher ratio is 4:1 – Class times are 30 minutes

Level 1: This introductory class is for children who are new to swimming or nervous in the water. Our goal is to develop confidence, breath control and proper body position. Positive reinforcement is critical to help the child build trust and confidence. Graduates will be able to do 10 relaxed bobs, front float for 5 seconds, get in the ready position, jump to teacher from the wall and relax in an assisted back float.

Level 2: This class is for children who are comfortable in the pool and will go underwater willingly and happily. In this level the focus is on learning proper breathing techniques, improving floating skills, kicking strength and survival skills. Graduates will be able to do back float for 10 seconds, streamline with straight leg kicks, propulsive kicks on back, rollovers and turnarounds.

Level 3: This level is for children who are able to swim independently and are ready to learn the basics of all 4 competitive strokes. In this advanced level graduates will be able to swim front crawl with rollovers for 10 yards, side swimming, elementary backstroke, dolphin kicks, breaststroke kicks, and safe dives.

Grade School Classes (5 – 9 years)

Student teacher ratio is 4:1 – class time is 30 minutes

Level 1: The focus of this level is to build confidence and learn basic water safety skills through fun and games. Graduates will be able to do small fast kick for 25 yards, jump in the water and recover safely, elementary backstroke, front crawl, and swim underwater for 10 seconds or more.

Level 2 : This class focuses on introducing all 4 competitive strokes. Graduates will be able to swim 25 yards of freestyle with side breathing, backstroke, breaststroke kick and dolphin kick.

Level 3: The goal of this class is to prepare swimmers for participation on our swim team. Emphasis will be placed on refining technique in all 4 competitive strokes, introduce racing turns including flip turns, perfect racing dives and pace clock usage. Graduates will be able to swim a continuous 100 IM.

Tweens (8 – 12 years)

Student teacher ratio is 8:1 – class time is 60 minutes

Stroke Development: The focus of each class is to build an environment for youth to practice swimming skills in a supportive, inspiring and non-competitive atmosphere while maintain a healthy exercise routine.
