

PHIL RICHARDI

CERTIFIED PERSONAL TRAINER

MY GOAL AS
YOUR TRAINER
IS TO HELP YOU
ACHIEVE YOURS.

Training Philosophy:

My job as a personal trainer is to help my clients with their fitness goals whatever they may be. My goal is to help you achieve your goal(s). Exercising is something that needs to be done to keep our bodies and minds feeling good. It's like a chore, but my goal is to make it fun and exciting and to make you fall in love with exercise. Also, having had many sports injuries, I know how difficult a nagging injury can be. All of the exercises that I perform or recommend are personalized to help you overcome that injury and to keep you injury-free.
