SMAC OUT CANCER

WE are raising money to help further research in Cancer Cures.

Join us for a great workout and great cause.

Follow the steps below:

1. Visit the website (below)
2. Register as an individual, Join a team or create a team
You will then be prompted to create your personal page and set your fundraising goal. (***Minimum money raised per participant is \$100***).
That's easy...only 10 people donating \$10....YOU can do it! And chances are....you'll set a goal that is higher and reach tons of family and friends.

Personalizing your page with a pic and the 'why' you are participating will be impactful for you and for your donors.

3. If you simply want to donate, you can click on Donate or you can click on the name of any individual or any team.

We have a BHAG (**B**ig **H**airy **A**udacious **G**oal) of \$100,000
Together we can do this and not only reach,
yet possibly surpass our goal.

Thank you for your Support

***Money raised will directly benefit
UCSF Children's Benioff Hospitals***
