SMAC Fit Pass

Class Descriptions

Strength / Power

MMA Conditioning: Workouts will be setup in stations and each station would be centered around a specific part of MMA to help condition the body and improve power. All levels welcome.

TRX Strong: Full-body suspension training focused on building strength.

Pilates Total Body: A great full-body workout for strength, flexibility and core control utilizing various apparatus such as the Studio Reformer, Wunda Chair, Trapeze Table or Barrel. Based on the work of Joseph Pilates. All levels welcome.

Pilates Reformer: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates. All levels welcome.

Strength Foundation: This fundamental class will utilize various strength equipment and tools to ensure proper form for safe and effective progressions.

Core / Balance

TRX Total Body: Full-body suspension training focused on strengthening the core while incorporating total body movements.

Pilates Reformer Foundation: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates and geared towards beginners.

Pilates Reformer Elite: A great intermediate level workout for strength, flexibility and core control utilizing the Studio Reformer. Participants should have previous reformer experience and can perform foundational exercises.

Balance Training & Fall Prevention: These sessions will incorporate balance training, as well as utilize a number of different tools in the fitness center to stabilize and strengthen your core to prevent fall and other injuries.

Cardio / Weight Loss

Reso-LOSE-tion: This 6-week challenge is a fee-based program that will include: Training with a Trainer 4 days/week-small group, Body composition and circumference measurements, Weekly weigh-ins, Nutrition Tracking & Meal planner guide, ESD Cardio Programming (ESD Technology tailors interval training to you, so every workout is as efficient and effective as possible)

Cardio Foundation: Whether you are a walker, runner, rower, swimmer, cyclist or just aspiring to become more active, this class will teach you the fundamentals and utilize the cardio machines to get you the most efficient workout possible.

Weight Loss Circuit: Resistance training circuits including high-intensity aerobics. Focused on building strength and muscular endurance.

Flexibility / Mind-Body

Pilates Reformer Foundation: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates and geared towards beginners.

Pilates Reformer: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates. All levels welcome.

Pilates Apparatus Foundation: An excellent Pilates equipment based class geared towards beginners utilizing different apparatus such as the Wunda Chair, Trapeze Table and Reformer.

Tai Chi: A noncompetitive, self-paced system of gentle physical exercise and stretching. Great way to reduce stress!

Pilates Total Body: A great full-body workout for strength, flexibility and core control utilizing various apparatus such as the Studio Reformer, Wunda Chair, Trapeze Table or Barrel. Based on the work of Joseph Pilates. All levels welcome.

Pilates Mixed Apparatus Circuit: A circuit style class geared towards weight loss utilizing different apparatus such as the Wunda Chair, Trapeze Table and Reformer.
