

# HOW ADD JOURNEY TO HOME SCREEN

Adding the EXOS icon to your home screen allows for easy access to Journey from your smart phone.

## iPhone

Tap the **bookmark** icon and tap **Add to Home screen**. The icon will appear on your home screen like any other app shortcut or widget, so you can drag it around and put it wherever you like.

## Android

Tap the **menu button** and tap **Add to home screen**. The icon will appear on your home screen like any other app shortcut or widget, so you can drag it around and put it wherever you like.
