NON-COMPETITION SWIM GROUPS+

These groups will allow swimmers to gain preparatory knowledge and practice of swimming with our knowledgeable coaches lead by our Olympic Head Coach Igor, without having to participate in swim meets. They may attend a minimum of 2 practices a week without penalty. All groups require a tryout.

- 25yd butterfly with correct timing from a streamline push-off
- All strokes must be competition-ready, except breaststroke, according to USA Swimming rules, for the entire 25 yards. An underwater streamline must follow the seated dive.

Focal points: Students will practice in the big pool. Coaches of this group will focus on preparing students for participation on the swim team by teaching the racing dive progression, the basics of flip turns and open turns, circle swimming, and how to use the pace clock for interval training. Coaches will also introduce conditioning to strengthen students' legs and core, and will teach the Individual Medley.
